INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On June 17, 2005, Wedgewood filed its *Motion for Enlargement of Time for the Prefiling of Petitioner's Rebuttal Testimony and Exhibits* ("Motion.") Wedgewood asserted that due to the late receipt of its chemical treatment specialist, it had not had time to adequately address pertinent matters with the OUCC. Therefore, Wedgewood was requesting additional time within which to respond by way of its rebuttal testimony and exhibits, up to and including June 24, 2005.

The Presiding Administrative Law Judge, having reviewed Petitioner's pleadings and being duly advised in the premises, hereby finds that the Petitioner's Motion should be and hereby is granted. The Petitioner shall file the testimony and exhibits constituting its rebuttal case on or before June 24, 2005.

**IT IS SO ORDERED.**
